B R I T I S H C O L U M B I A

Job's Daughters has been changing the lives of thousands of young women for over 100 years. Our values of leadership, respect for elders, good citizenship, service, and sisterhood have stood the test of time and continue to benefit girls around the world. The opportunities available to girls today may have changed, but the lessons of Job's Daughters still ring true. When girls are able to confidently face the future, they can change the world.
