

JUNE

Summer fun is here!

June also brings the start of a brand new term, full of exciting adventures, learning, and laughter. Let's make this month unforgettable as we buzz into new experiences together!

Hive Huddle focus:

What are you thankful for?

Activity of the Day:

This month, we learn about another one of Job's daughters. We also learn about the Bethel Installation, a special event that takes place each year in January and June.

Hi Bees! June is really exciting because summer is here AND we're starting a brand-new term!

I'm excited to keep learning with you each month!

Did you know that you and your family and friends are welcome to attend the Bethel installation? This is a great way to learn more about Jobies!"
