Discussion of the Day: What is Galentine's Day? It is an annual holiday celebrated on February 13, the day before Valentine's Day, that focuses on celebrating female friendships!

Activity of the Day: Pass out the Galentine's Day: Would you Rather worksheet. Go through the questions one at a time with the group, having the Jobie to Bees circle their answer as you go through them. Once you have gone through all the questions, see who picked which answer!

Meeting Wrap Up: Ensure to have collected contact information from the families so that they can be invited to further events. If your Bethel meets during the day, you may choose to stay for the Bethel Closing Ceremony and social time.

Discussion of the Day: What does hope mean? Hope is the feeling of trust and the want for something to happen. We can be hopeful about how our lives will develop and have hope in others. Hope is the power to believe that anything is possible!

Activity of the Day: Hope Clouds! Ask the Jobie to Bees to think about their own dreams and hopes for themselves. It might be something that they can change, or it might depend on others. These might be short-term goals or ideas or things that take more time and support. Explain that they can choose to share their hopes with the group or keep it to themselves. Give each Jobie to Bee a cloud template to write their hopes onto. They can be creative and use pictures if they would rather do that than write them.
