

# MAY

Hello May!

With sunshine, flowers, and bright days, May is full of colour and cheer. Let's grow and shine together as Jobies to Bee!

### **Hive Huddle focus:**

What makes a good leader? What are good leadership qualities?

### **Activity of the Day:**

This month, we are going to play a game called "This is Me!". This is a fun way to share about ourselves and get to know our Jobie to Bee friends.

"Jobies is all about making friends, supporting each other, and having fun together! The more we learn about one another, the stronger and happier our hive becomes."
